## Message From Our Manager

It has been a busy and enjoyable time here at Marine View Lodge, with a good mix of activities, celebrations and special visits for our residents. From keeping active to marking important occasions, there has been plenty going on across the home.

We are always grateful for the support we receive from families, visitors and the wider community, which helps make these moments even more meaningful. It's been particularly special to celebrate some memorable occasions together and to see residents getting involved in so many different ways.

We hope you enjoy reading about some of our recent highlights.

ACTIVITIES & EVENTS

## Keeping Active

Our regular fitness sessions with Matt continue to be well attended and enjoyed by residents. These sessions are a great way to keep moving, improve mobility, and support overall wellbeing.

Residents always put in a great effort, encouraging one another along the way. It's not just about exercise, but also about enjoying the social side of coming together as a group.

## Grand National Fun

We brought the excitement of the Grand National into the home with our own version of a horse racing game. It was a light-hearted afternoon, with plenty of laughs and friendly competition as everyone picked their favourites.

After the races, residents enjoyed strawberries and lemonade before settling down to watch the Grand National together. It made for a relaxed and enjoyable afternoon.

## Easter Celebrations

Easter was marked with a lovely visit from the Easter Bunny, which brought smiles across the home. Residents were delighted to receive Easter cakes, which were enjoyed throughout the day.

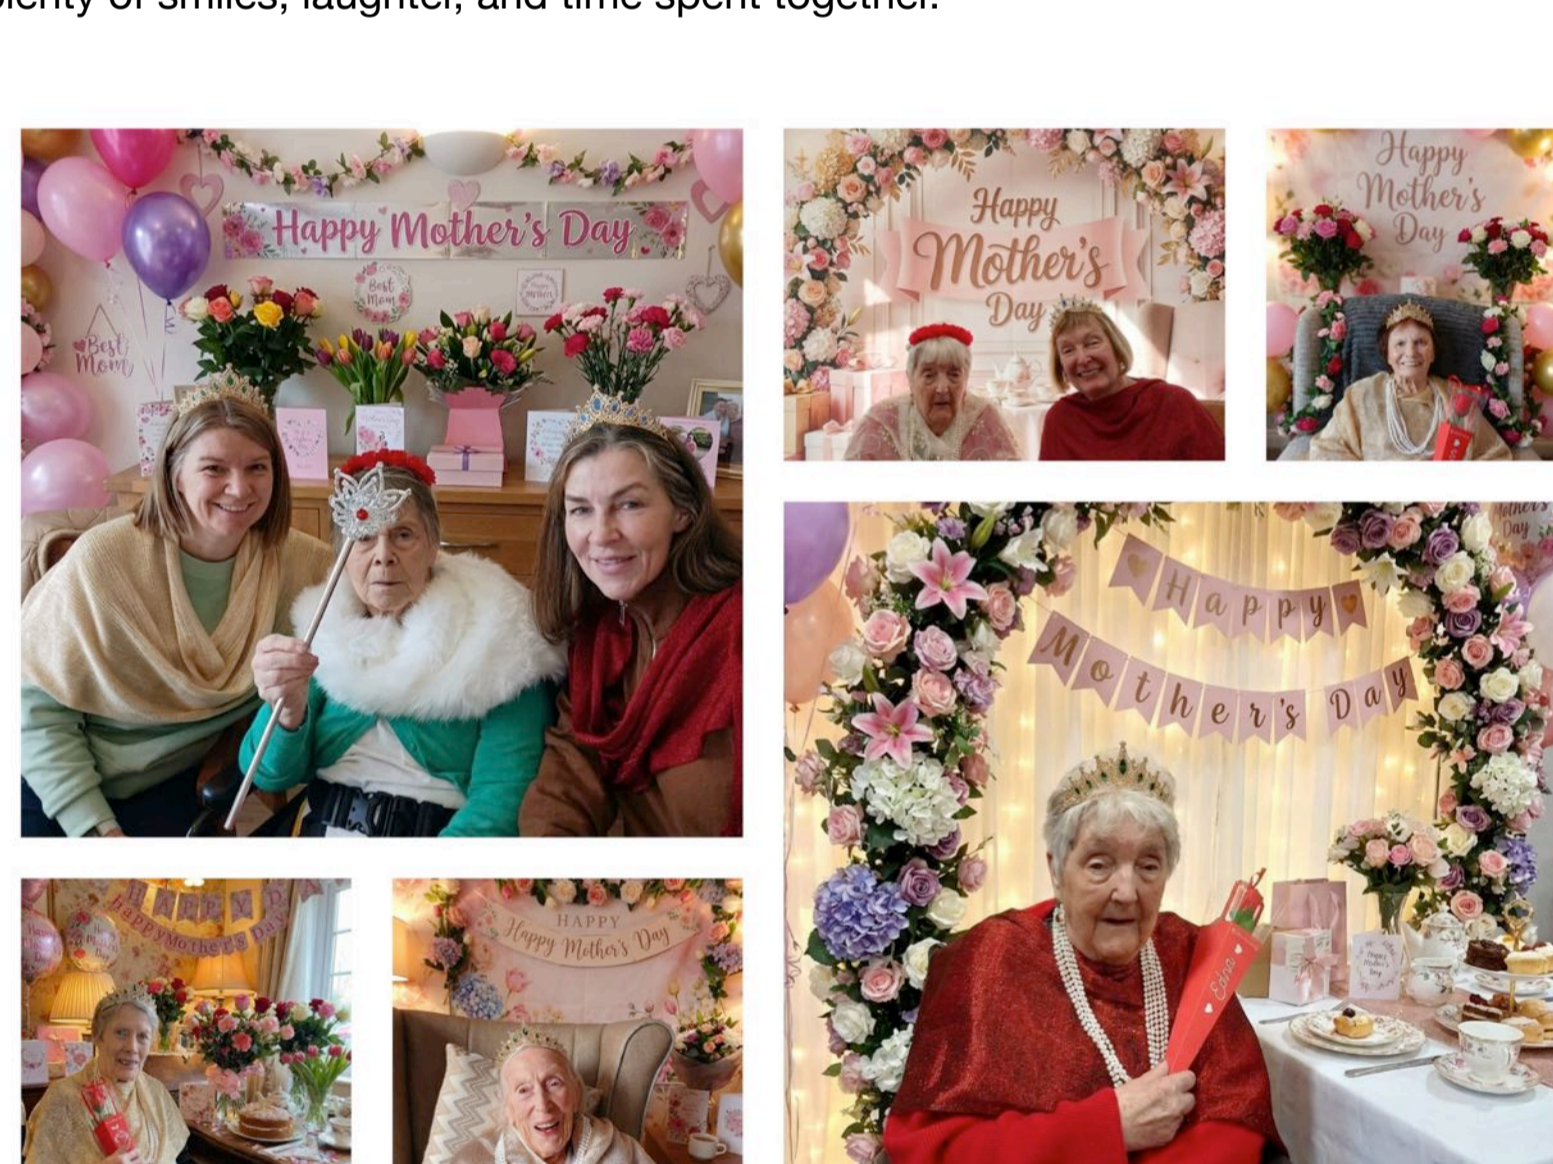

It was a simple but cheerful way to celebrate, with a nice sense of togetherness.

## Mother's Day

Mother's Day was a lovely occasion at Marine View Lodge. We marked the day with a special photo session, capturing moments between residents and their families.

It was a chance to celebrate the important role of mothers and mother figures, with plenty of smiles, laughter, and time spent together.

## Visit from Scaly Safari

We welcomed Scaly Safari to the home for a memorable and hands-on experience. Residents had the opportunity to meet a variety of animals, including a tarantula, a bearded dragon, and even a Burmese python.

There were plenty of brave moments, as well as lots of curiosity and conversation. One of the highlights for many was meeting a tenrec, which quickly became a favourite.

It was a unique visit that brought something a bit different into the home, and we would like to thank Scaly Safari for such an enjoyable experience. We look forward to seeing them again in the future.

## A Very Special Birthday

We recently celebrated a truly remarkable milestone as Mildred turned 105. It was a very special day, made even more memorable with a visit from the Mayor and his wife.

We were also overwhelmed by the number of birthday cards and messages received. Our original goal was 105 cards, but thanks to the kindness of so many people, we received far more.

It meant a great deal to Mildred and to everyone in the home. We would like to thank all those who took the time to send their wishes.
